Course: ICS 400 – Advanced Incident Command System

The target audience for this course is senior personnel who are expected to perform in a management capacity in an Area Command or Multi-agency Coordination Entity. This course provides training on and resources for personnel who require advanced application of the Incident Command System (ICS). This course expands upon information covered in ICS-100 through ICS-300 courses. This course will include but not be limited to: major and/or complex incident/event management, area command, and multi-agency coordination. This course is designed to provide overall management skills rather than tactical expertise.

Audience: All Mid-level Management Federal/State/Local/Tribal/Private Sector & Nongovernmental personnel to include should take ICS-300, including: Persons serving as command staff, section chiefs, strike team leaders, task force leaders, unit leaders, division/group supervisors, branch directors, and multi-agency coordination system/emergency operations center staff.

Prerequisites: IS-100, IS-200, ICS-300, IS-700 and IS-800, IS-300

Dates and Times: April 23, 2021
